Education Program

AVA Gallery and Art Center offers a vibrant, year-round art education program for individuals of all ages, ranging in ability from novice to professional. Classes introduce participants to the creative process, teach basic drawing skills, offer students exposure to media ranging from watercolor to sculpture, and encourage the pursuit of advanced study in a variety of media.

AVA's renowned Children's Program—which takes place in our welcoming and well-equipped studios—offers afterschool classes and weeklong vacation art camps coinciding with the local school calendar. Creative opportunities for teens abound. AVA draws on a strong faculty composed of nationally and regionally known artists.

If you haven't taken a class at AVA before, you may be in for a surprise. You won't be striving for grades or credits, because there aren't any here. Instead you can expect:

- the freedom to learn in your own style
- engaged, supportive fellow students with a variety of perspectives
- the satisfaction and challenge of defining your own goals
- the opportunity to work with a dedicated, highly qualified faculty
- spacious, light-filled studio settings
- the pleasure of being in award-winning "green" buildings, with access to exhibition galleries and special programs.

AVA Gallery and Art Center is supported in part by grants from the New Hampshire State Council on the Arts and the National Endowment for the Arts, and from the New Hampshire Charitable Foundation.
