

Stephanie Wolff AVA Workshop

Paper Gifts

December 9, 2020

6-8 pm online

We'll make a small collection of paper toys and gifts, most of them easily sent through the mail. These include a flexagon, a spinner, a magic wallet, and other simple but fun structures. Our focus will be on making models with commonly available materials that can later be adapted for use with a variety of papers and personalized content.

Supplies:

Cardstock paper: 8.5 x 11, 10 pieces (plus a couple sheets of one other color)

Scraps of mat board, or use a cereal box: 4-6 pieces about 5x7 inches in size

Textweight or copy paper: 8.5 x 11, 15 sheets (plus 5 sheets of one other color)

Textweight or copy paper: 11 x 17, 5 sheets

(can be cut from wrapping paper, freezer paper, parchment

String, 12-15" or 2 thin 2.5" rubber bands

Glue stick

Scissors

X-acto knife

Cutting mat

Awl or piercing tool

Compass or cup to draw a circle

Pencil, eraser

Drawing tools, colored pencils, markers
