- Painters Edge Stainless Steel Painting Knife Style 3T 1 7/8in
- Ebony Splendor Teijin Multi-Filament Hair Brush Sets By Creative Mark (It's on Jerrys art [arama.com](http://arama.com) Its a pack of 8 filbert brushes for 18 bucks, I don't know if this is too expensive or not. ( I just recommend a variety of brush sizes and the filbert because it's between a square brush and a round brush. If the students have preferences they should go with those.)
- A cup of water to rinse brushes
- tape
- pencil
- and a can for tracing a circle!
